

Pupil Premium Report 2016 - 17

Over the past year we have used the Pupil Premium and Service Premium funding in a variety of ways to make sure that eligible children receive every opportunity to be successful. This includes greater levels of welfare care, additional 1:1 tuition targeting those children from identified groups, enhanced in-class support and further interventions to support learning. The academies endeavour to get the best value for money from the funding they have received.

The main barriers to achievement faced by children in receipt of funding in our academies are:

- Low attainment on entry in to Reception
- Delayed speech and language
- Lack of family stability and parental engagement in education
- Poor housing conditions
- Children acting as young carers
- Chronic medical conditions
- Child and family mental health issues

Hockering Pupil Premium for 2016/17 £19,800. The Governors decided it would be used as follows:		Impact
Staffing Provision £13,022	<ul style="list-style-type: none"> • TA employed to deliver intervention • Additional Teacher 1pm per week to deliver maths and literacy intervention • Maths Whizz club after school • Extra TA hours to support EYFS/KS1 	GLD in line with national showing very good progress given very low starting points.
Additional Intervention £3,850	<ul style="list-style-type: none"> • Sounds Discovery • ECar / individual reading • Additional Phonics • Maths Whizz • Nessy • Daily breakfast • Fruit snack for all children • JONK (Joy of Not Knowing) 	Outcomes at KS1 show 100% of children attaining the expected standard in R, W and M for the whole cohort including disadvantaged children. This shows outstanding progress throughout KS1.
Enrichment £4,500	<ul style="list-style-type: none"> • School Sports Partnership • After school sports clubs • Residential trips • Music Tuition • Educational visits • Themed days • IET Goblin car building • Young Voices 	Outcomes at KS2 show very good progress for all children and attainment at then expected level in R, W and M to be in line with national measures.

		<p>Growth mindset training enabled children to approach tests with increased resilience.</p> <p>All children who wished to attend school trips and residential courses were able to do so.</p> <p>There has been increased participation in clubs and music tuition.</p> <p>Yr 5/6 children all had the opportunity to sing at the O2.</p> <p>Yr 6 built and raced an IET Goblin car</p>
